from a bakery?

Can you think of
some fun places?

Can you think of
some scary places?

What is your
favourite City? and
why?

to the City or the
beach?

Where is your
favourite place to
eat?

What is your local
park like? What
does it have?

What places are the
most important in a
community?

Do you prefer a trip to
the mountains or the
beach?

Do you have a favourite
place to buy ice-cream?

Are libraries important?

What makes a great
community and place to
live?

What place would you
like to work at when you
are older?

Do you have any good
places to have a picnic?

Do you have any good
places to play sports?

Where do you go when
your teeth hurt?

How often do you go to
a shopping mall?
