Celebrations

What is a
celebration?

How many different
celebrations can you
name?

What events do you
celebrate in your
country?

What is your
favourite celebration?
Why?

Do you like to get
your face painted?

How do you celebrate
your birthday?

What would you dress
up as for halloween?

How do you celebrate
the new year?

Do you like to celebrate
any foreign holidays?

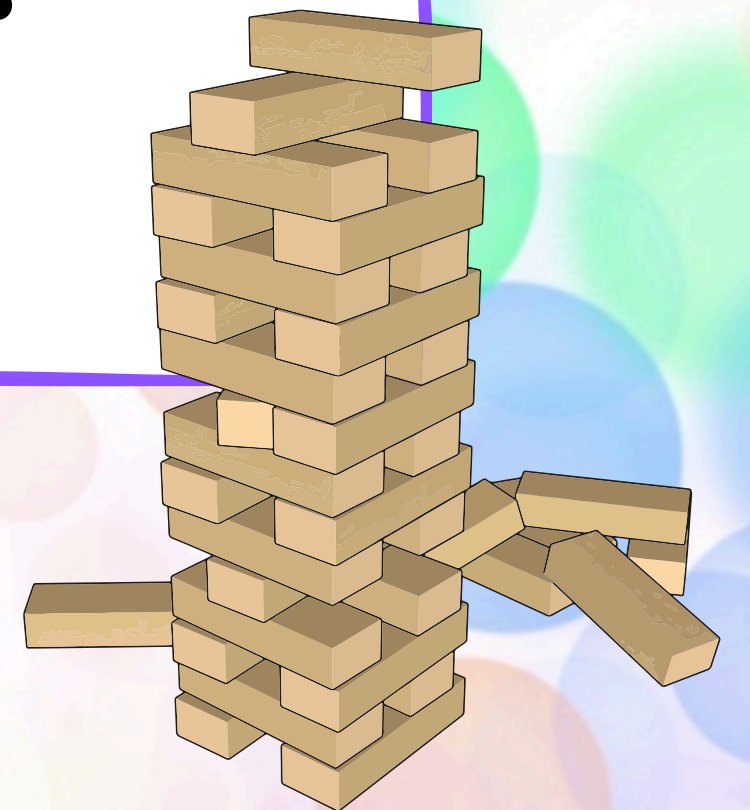

How do you celebrate
your friends?

Do you have any special
foods for celebrations?

Do you play games at
family celebrations?

Do you like bouncy
castles?

What gifts do you like
to receive?

What flavour cake do
you like to eat?

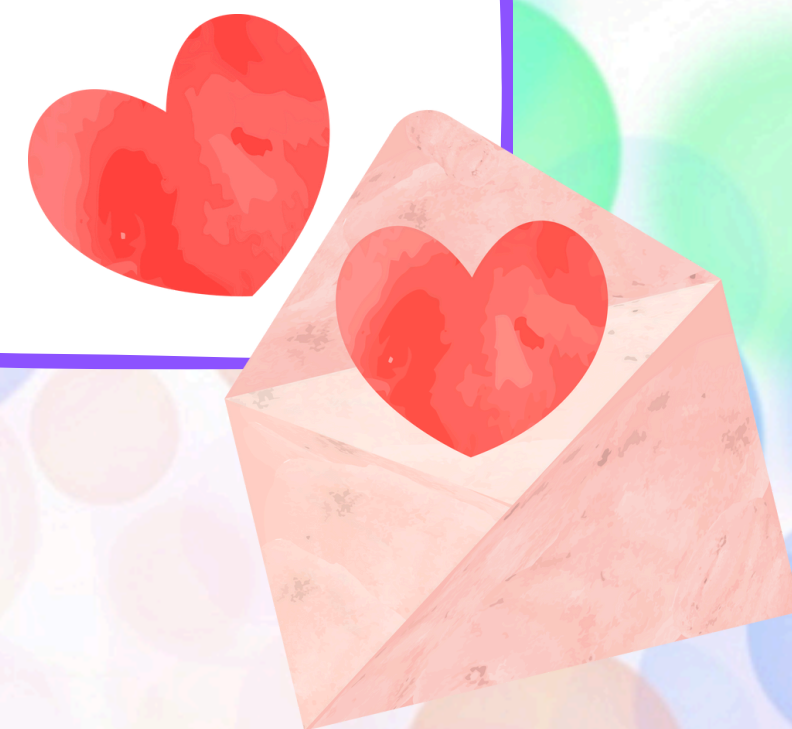

What decorations do
you use for
celebrations?

What date do you
celebrate your
birthday?

Do you celebrate
valentines day in your
country?

What foreign
celebration would you
like to visit?

Thank you!
